This is the seminary that Dr. Morris started more than 50 years ago, and it is an institution which has been de-funded by the Southern Baptist Convention. It educates many religious leaders from all of South East Asia.—So be generous.**

RESPONSIVE CALL TO PRAYER

*Over the years it would appear that one has heard everything  
that is to be said on most subjects...*

**But the things that stick with you are the sayings  
that make sense.**

*'An eye for an eye and a tooth for a tooth.'*

**'You shall love your neighbor and hate your  
enemy.'**

*Those appear, on first hearing, to be reasonable responses...*

**When you are injured give measured response,  
and foes merit our sincere dislike.**

*Those reactions would appear to be reasonable to all people...*

**Except Jesus.**

*He told us that we were to 'turn the other cheek' and 'love our  
enemies.'*

**Lord God, we said that we would surrender all to  
you... We said you would be our master. Help us  
to master those powerful emotions... anger and  
hatred. Amen.**

\*INVITATION HYMN 587: "Jesus Shall Reign"

*Decisions of faith are personal decisions. It is for us to  
choose if we will believe in God. Decisions of faith are also  
public and corporate decisions. When we choose to follow  
Jesus we are choosing to become part of the "Body of Christ",  
the Church. If you would like to confirm the decision you have  
made to begin your life of faith or continue that life as a part of  
this congregation, come forward as we sing the invitational  
hymn and speak with the worship leader about your decision.*

*One article on the Thailand Baptist Seminary indicates that it was founded in 1960 with prehistory dating to 1949. That would have been the year when the Rev. Dr. J. Glenn Morris and his wife Polly first came as missionaries to Thailand. For the next fifty years they served a church that they planted in Bangkok as well as the seminary that Glenn began.*

*Over the years missionaries from the Southern Baptist Convention taught in that Seminary with Dr. Morris. While it broke his heart to see those missionaries brought home and funding for the seminary withdrawn by the SBC, Glenn had such great joy in seeing a young man from his church, a graduate of the Seminary, become the first Thai to lead the school as President. Many of us had the opportunity to see Glenn's pride when that young man Chaiwat Chawmuangman, and his wife Nori, came and spoke to the members of Calvary about the school.*

*Currently the seminary does receive some support from the Cooperative Baptist Fellowship, but every year since Chaiwat's visit we at Calvary have taken a collection to send to the seminary for the J. Glenn Morris Chair in the theology department. Join us in giving this year.*
